Kisha IMMIGRATION

RESIDENCY BY INVESTMENT PROGRAM

IRELAND

... unlock your global access, gain global citizenship.

In 2012, the Irish government implemented the Immigrant Investor Programme (IIP), which allows non-EU/EEA nationals and their immediate family members to get one step closer to Ireland citizenship.

It is the Irish Naturalisation and Immigration Service (INIS) along with an Evaluation Committee who decides which investments are eligible for the Immigrant Investor Programme, and consequently, which applicants can get the Ireland Investment Visa. The Ireland Investment Visa is often referred to as an Ireland Golden Visa.
